JANITOR OF TOWN HALL

Francis Rumrill

SELECTMEN'S REPORT

We believe better communications tend to improve and develop better community relations. With this factor in mind your Selectmen will continue the open door policy and attempt to meet with residents and property owners alike and discuss with them any and all problems relating to the Town of Stoddard. Better communications is one of our prime goals based on mutual respect and responsibility.

As was noted in last years report our Tax Map has been completed and the sum of $500.00 was allocated for its maintenance. Inasmuch as David Crockett is no longer available for this work, Allen Plumb, of Marlow, has agreed to continue the up-dating of this very important instrument of assessing property.

With the ever increasing number of people attending town meetings and other gatherings, the necessity for a greater seating capacity has been some what alleviated by the purchase of 50 new folding chairs.

In order to emphasize the devotion required in a volunteer fire department, Senator Clesson Blaisdell, on 17 July 1976, dedicated the new fire station with a well presented oration. This event was followed by a well attended chicken barbecue.

On the 4th of July, your Selectmen not only raised the American Flag, at the crack of dawn, but rang the bell in the Town Hall, 200 times to commemorate our 200th birthday.

The attention of all property owners in Stoddard is called to the fact that their inventory of taxable property must be returned to the Selectmen as required by Public Statute, Chapter 57, Sections 8,9, and 15. The State Board of Taxation insists that the assessors strictly enforce this law. AVOID FOUR FOLD DOOMAGE.

On May 17 the Town Hall was the scene of apresentation of the American Revolution Bicentennial Flag to the town along with the official Bicentennial Certificate. The presentations were made by Dr. J. Duane Squires of New London, chairman of the N.H. American Bicentennial Commission and vice president of the American Revolution Bicentennial Board. Accepting these symbols for the town was Robert C. Rumrill, chairman of the Board of Selectmen. (From new insert in town history book.)

The National Flood Insurance Program which the Town of Stoddard voted to participate in at last years town meeting, has encountered innumeral problems. After many

meetings, letters and telephone conversations, several meetings with Congressman James C. Cleveland and H.U.D. it appears that Stoddard's so-called flood prone areas are not flood-prone after all. We are about to receive our sixth flood-zone map which will show only a few swampy areas as possible flood areas. It would be impossible to build any type of housing in these areas. The acceptance of the flood insurance plan for Stoddard, which is not needed, is not in the better interest of our Town. Upon receipt of the final map it is suggested that the residents of Stoddard withdraw last years article accepting the concept of the National Flood Insurance Program.

In order to inform the residents and property owners of Stoddard of the effort being made by your Selectmen to continue with our maximum effort to get the most out of every tax dollar, we submit the following which is indicative of our effort.

Town Hall Meetings	64 times	285 Hours
Assessed Property	22 times	87 Hours
Visits with other towns	11 times	87 Hours
Dog Census	2 times	10 Hours
Total	99 times	438 Hours

We ask for your continued support and cooperation.

Respectfully submitted,

Robert C. Rumrill
Earle F. Wesson
Emile J. Vailliancourt,
Selectmen/Stoddard

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

THE POLLS WILL BE OPEN FROM 1:00 P.M. TO 7:00 P.M.

To the Inhabitants of the Town of Stoddard in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday, the eighth day of March, next at one of the clock in the afternoon, to act upon Article 1:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday, the fifteenth day of March, at 7:30 of the clock in the afternoon to act upon Articles 2 through Article 29.

2. To raise such sums of money as may be necessary to defray town charges for ensuing year and make appropriations of the same.

3. To see what sum of money the Town will vote to raise and appropriate for the Highways and Bridges for the ensuing year.

4. To see what sum of money the Town will vote to raise and appropriate for Snow Removal for the ensuing year.

5. To see what sum of money the Town will vote to raise and appropriate for the general expenses of the Highway Department for the ensuing year.

6. To see if the Town will vote to raise and appropriate the sum of Three Hundred Thirty-Five Dollars and Twenty-Two Cents ($335.22) for T.R.A. so called.

7. To see what sum of money the Town will vote to raise and appropriate for the maintenance of public landings.

8. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire

Department for the ensuing year.

9. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act for use as a setoff against the following debt service of 1974 Fire House note in the amount of Four Thousand Eight Hundred Forty-Nine Dollars and Thirteen Cents ($4,849.13).

10. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Police Department for the ensuing year.

11. To see if the Town will vote to raise and appropriate the sum of Two Hundred Thirty-Eight Dollars ($238.00) in support of the operating costs of the Cheshire Hospital for the year 1977.

12. To see if the Town will vote to raise and appropriate the sum of One Hundred Sixty Dollars ($160.00) for the support of the Monadnock Region Association.

13. To see what sum of money the Town will vote to raise and appropriate for street lights for the ensuing year.

14. To see what sum of money the Town will vot to raise and appropriate for the maintenance of the Public Library.

15. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of Taxes.

16. To see what sum of money the Town will vote to raise and appropriate for the Town Dump.

17. To see if the Town will vote to raise and appropriate the sum of One Hundred Sixty-Three Dollars ($163.00) to support the services of the Community Health Clinic of the Monadnock Family and Mental Health Service.

18. To see if the Town will vote to raise and appropriate the sum of Two Hundred Seven Dollars and Sixty Cents ($207.60) as its fair share of the operating costs of the North Cheshire County Home Health Service.

19. To see if the Town will vote to authorize the Selectmen to hire one competent person to update the Town Tax Map, and to raise the sum of Five Hundred Dollars ($500.00 for this purpose.

20. To see if the Town will vote to raise and appropriate the sum of Two Hundred Thirty-Four Dollars and Sixty Cents ($234.60) as the Town's share for the

studies and operation of the Southwestern New Hampshire Regional Planning Commission.

21. To see if the Town will vote to raise the sum of Three Hundred Forty-Seven Dollars ($347.00) for the control of White Pine Blister Rust.

22. To see if the Town will vote to accept the following bequests as Trust Funds for cemetery care:

Charles L. Peirce Fund	$500.00
John & Leona Duffy	52.01
Nellie J. Stewart	200.00
Lane Lot	150.00

23. To see if the Town will vote to place any bequests, as Trust Funds, for cemetary usage, accepted from this time forward into the so-called Common Fund held by the Trustees of Trust Funds, unless said bequests are otherwise specified.

24. To see if the Town will vote to specify that all cemetary Trust Funds held by the Trustees of Trust Funds be used solely for cemetary expenses.

25. To see if the Town will vote to authorize the use of "Auto Dump Stickers" by Stoddard taxpayers only. Effective date will be 1 June, 1977. Stickers to be issued by the Town Clerk at no cost.

26. To see if the Town will vote to restrict building lot size to a minimum of one acre.

27. To see if the Town will vote to discontinue and make subject to gates and bars, the highway described as follows: The Old Sullivan Road from the westerly boundary of land owned by Clinton D. and Laura Fletcher to the former Perley Swett house, as provided in R.S.A. 238:2. The gates and bars to be maintained by the Town.

28. To see if the Town will vote to authorize the Selectmen to appoint a committee to study uses of the Old Fire House, these to include the possible use of this facility as office space for Town Officers. This committee will report to the 1978 Town Meeting.

29. To see if the Town will vote to recind the votes taken on Articles One and Two at the special Town Meeting held on May the sixth of 1975.

Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and seventy seven.

REPORT OF TOWN AUDIT
Fiscal Year Ended December 31, 1976

Revenue Sharing Fund

Available Funds - January 1, 1976		$ 6,626.47
Add Revenue:		
Entitlement Payments	$6,123.00	
Interest	216.13	
		6,339.13
Total Available Funds		$12,965.60
Less Expenditures:		
Environmental Conservation	$8,116.74	
		8,116.47
Available Cash - December 31, 1976		$4,849.13
Available Unobligated Funds - December 31, 1976		$4,849.13

We have examined the accounts and records of the Revenue Sharing Fund of the Town of Stoddard, N.H. for the fiscal year ended December 31, 1976.

In our opinion, the above statement of Revenue, Appropriations, Encumbrances, and Available Unobligated Funds presents fairly the revenue, expenditures and encumbrances incurred, and status of Revenue Sharing Funds of the Town of Stoddard, N.H. for the year ended December 31, 1976.

A. Virginia Harmon
Florence W. LaFargue
Auditors/Stoddard

AUDITOR'S REPORT

We hereby certify that we have examined the books of the Selectmen, Town Clerk, Tax Collector, Treasurer and the Road Agent of the Town of Stoddard, N.H. for the year ending December 31, 1976 and find them correctly cast and vouchers for all payments to the best of our ability.

A. Virginia Harmon
Florence W. LaFargue
Auditors/Stoddard

CEMETERY TRUST FUNDS
Balance Sheets

CEMETERY TRUST FUNDS

Statements of Changes in Unexpended Income

For the Year Ended December 31, 1976

	Balance 12-31 (Note)	In-come	Ex-penses	Balance 12-31
Common Fund	$3,480	$519	$687	$3,312
Minnie Morse Albee Fund	404	111	63	452
Charles L. Peirce Fund	144	51	30	165
John and Leona Duffy	--	2	--	2
Nellie J. Stewart	(5)	14	13	(4)
Lane Lot	4	10	10	4
	$4,027	$707	$803	$3,931

Note: The balances at December 31, 1975 differ slightly from those reported last year because of the following non-recurring adjustments -

Principal has been increased $3 to restore the Duffy Fund to its original $55. The Fund had been changes with certain expenses several years ago.

Income has been decreased $3 to reflect the Duffy Fund adjustment. Income has also been redistributed by transferring $99 to the common fund from the other funds. The common fund had been charged with more than its share of expenses according to the established ratios.

REPORT OF LIBRARY TRUSTEES

Regular library hours for 1976 were held Wednesday mornings from 9-11:30 and Thursday evenings from 7-9pm.

Several new shelves were added in the back room of the library. These shelves were badly needed as several hundred books, both donated and purchased, were added to the library collections throughout the year.

This year's circulation remained at a level comparable to the high level realized by the library in 1975.

The Library Trustees again attended the annual book sale in Sullivan and received $14.25 which was used towards book and supply purchases.

There were 24 new-comers to the library throughout the year. We would like to thank these people and all of those who made donations of books in 1976. These donations are always gratefully accepted.

Alan Rumrill,
Librarian

REPORT OF ASSISTANT LIBRARIAN

This year I have noticed that a greater number of the children are interested in reading. Some contine reading when we have our special activities period.

The children are also more interested in the informative books such as the National Geographics.

I have read recently that there is a resurgence of interest in the Nancy Drew Books and the Hardy Boys Books among teen-agers, and this is ture in Stoddard.

Before Christmas, the children wrote interesting stories and poems. They were all very good, and it was difficult to select two to include in my report.

CHRISTMAS

Christmas is a happy day,
It is always bright and gay,
It sounds funny,
The Things they say,
About Santa and his sleigh.
Saint Nicholas was a real man
He was a person you could understand.

Stephen Norwood

HAPPY CHRISTMAS

Once upon a time, there was a boy who didn't believe in Santa Claus. His parents were sad. This boy was only six years old and didn't care about Christmas at all. He thought Christmas was just another day of the week. His parents didn't have any other children so they really loved him and wanted him to be happy. One Christmas Eve, at midnight there was a sound. The little boy looked out on the roof and thought his eyes were playing tricks on him, but what he saw that night made him as happy as he would ever be.

Barbie Fowler

There were many fine illustrations to accompany the stories.

Mary Lane
Ass't Librarian

NORTH CHESHIRE COUNTY HOME HEALTH SERVICE
P.O. Box 36, Gilsum, N.H. 03448
Telephone 357-0969

January 1977

Dear Friends:

Perhaps you know someone who has had a visit from the North Cheshire County Home Health Service. In the last year alone, our nurse traveled 3,762 miles to make 609 visits to provide health care right in people's own homes.

Our physical therapist made 101 visits and our licensed practical nurse made 1 visit. Our homemaker-health aide was extended to 59 visits to assist with the longer-term home health care.

Altogether that makes 770 home visits for the fiscal year 1975-1976.

In addition to the home visits our free Child Health Conferences were continued. This service provides physical examinations, immunizations, laboratory tests and health education for low-income families. A dental program for pre-school children was completed this year also. Our plans for this coming year include a blood pressure clinic.

The North Cheshire County Home Health Service was started seven years ago. It now serves the towns of Gilsum, Marlow, Nelson, Stoddard, Sullivan and Surry. Although we recently moved our office to the Legion Hall in Gilsum, our phone number and mailing address remain the same.

Our staff includes a nurse, Edith Hasbrouck, a physical therapist, Dawn Vergamini, and a licensed practical nurse, Paul Rochleau. Dr. Gilbert Fuld continues to serve as the pediatrician.

Sincerely yours,

The Board of Directors

HISTORICAL SOCIETY

Our nation's bicentennial year was a very busy one for the Stoddard Historical Society. In May we had a formal presentation of the American Revolution Bicentennial Committee flag and certificate making Stoddard one of over 100 towns and villages in New Hampshire so designated. The Town Hall was full to overflowing. The guests included the Reverend Lee Bayer, the Stoddard 4-H Clubs, Mr. Bernard Streeter, Dr. J. Duane Squires, and town officials.

The celebration was the official stepping-off for plans long in the making. The Old Home Days committee prepared for everything from a sit-down supper and a barbeque, to a colonial costume dance, special Church services and a puppet show. We arranged for the sale of add-on license plates. The Scarlet Oaks were planted at the Town Hall and Davis Library with a flourish. With the continuing support of all of Stoddard, we hope to make Old Home Days a successful annual event.

The Board of Directors in the past year have overseen the repair and maintenance of our Society's Building. Serious repairs were in order for the sills and some upright supports, and the exterior was painted. Newly elected to the Board was Mary Conklin whose term expires in 1981.

We are very fortunate to receive many donations over the years. In 1976, Mr. Paul Peck gave the Society an antique carved wooden fan, and paintings. Mr. John Foster, gave us an up-to-date version of his company's glass bottles. They were last produced in Stoddard 134 years ago; they are now made in four factories across the country.

This summer Lucy Hill and Alice Hamilton conducted a review of former members of the past five years. This painstaking process brought a positive response from 50 percent to rejoin.

A 100 year time capsule was installed, with appropriate documents, in the wall of the new fire house to be opened on July 4th, 2076. A plaque will mark the location of the capsule.

We want to remind everyone that you needn't be a member to attend our meetings held the third Monday of February, May, August and November at the Town Hall. We aren't draped with cobwebs, don't drop off to sleep, but do enjoy each other's company as well as interesting professional lecturers... join us!

Shirley Anderson, Sec'y

MONADNOCK REGION ASSOCIATION REPORT FOR 1976

The Monadnock Region Association was founded in 1934 when representatives from twenty-four towns in Southwestern New Hampshire first met and formed the organization.

The objectives of the Association today are much the same as they were in 1934.

We believe in tourism and recreation for the residents of the region and for the many visitors who enjoy coming here. The tourist industry in New Hampshire is a $450 million dollar business and over 32,000 New Hampshire people are employed in tourist related jobs. The Monadnock Region Association is the only association or group expressly charged by the State of New Hampshire with the responsibilities of recreation and tourism in the Monadnock Region.

In 1976 the Association distributed over 120 thousand folders and brochures about the Monadnock Region to potential tourists and travelers to our area. Tourists paid the State of New Hampshire $14 million dollars Rooms and Meals tax in 1976. Over $5½ million dollars of this was redistributed by the State to all New Hampshire towns and cities. Every town and city in the Monadnock Region received a share of this tourist tax revenue according to population.

The Town of Stoddard received $2,297 of these funds in 1976.

The Monadnock Region Association also strives to improve the industrial climate in the area. We know that there can not be jobs for our young people if there are not shops, plants, and warehouses where they can work. In the Region there are many good companies that provide clean, well-paying jobs and they don't make smoke or pollute the streams. We seek to help other firms like these to locate in the Monadnock Region.

Also we want to maintain and preserve our natural resources, our mountains, our forests, our fields and our wild birds and animals so that they can be enjoyed by those who live here and by the visitors who come to the area now and in the future.

Our interests in recreation and tourism, in industry, and in conservation, haven't changed greatly in 43 years.

Mr. Emile Vaillancourt is the Monadnock Region Association director in Stoddard.

POLICE DEPARTMENT REPORT

The number of police cases in 1976 equalled those of 1975. Breaking and entry with accompanying larceny heads the list, followed by motor vehicle accidents. These two categories comprised almost half of our cases. Three arrests were made through outside warrants.

We still have a five-man part-time police force on 24 hour call. Four of us attended a ten-week course on general law enforcement at Keene State College. All of us belong to the Cheshire County Peace Officers Association and attend monthly dinner meetings with programs pertaining to law enforcement.

All of us have been supplied with good equipment and it is properly maintained.

We have joined the N. H. State Police in their Uniform Crime Report system. This marks the beginning of a landmark in law enforcement cooperation in New Hampshire. The Stoddard Department will supply the Department of State Police with a monthly report on the date, nature and place of certain categories of crimes and disposition thereof. To comply with this new system, all of our men have been supplied with a uniform complaint system.

All departments that take their motor vehicle cases to Keene District Court now have a uniform complaint system.

Emergency calls for ambulance, oxygen, resuscitation, etc., may be made to the Mutual Aid Center in Keene, 352-1100. The trained personnel there quickly dispatches aid in the most advantageous manner.

While these new more effective systems will eventually be of help to small towns like ours, we need still more help from our citizens and summer residents.

Breaking and entries increased in 1976 and one of the most effective means of combating this problem is for all our people to report suspicious persons or strange vehicles to us, particularly descriptions of vehicles and license numbers.

Calls by alert citizens resulted in more suspicious persons being checked out by your police. However, more patrol, further assistance by people is needed.

One town in this county successfully curtailed breaking and entries by this method, albeit they have a full time paid patrol.

Charles C. Eaton, Chief

THE STODDARD FIRE DEPARTMENT

We wish to thank all of the residents and non-residents who donated to the Fire Department this past year. A special thanks to Mr. Frank Miney for lettering and painting our new sign and also to the Ladies Auxiliary for their help this year.

We appreciate your support in purchasing the new Boardman Pumper which allows us to protect your property better.

A Pewter Revere Bowl was presented to Wayne Fuller from the members of the department on May 27, 1976 in appreciation for his many years of dedicated service as Chief of the Stoddard Fire Department.

The department made 18 runs this year which are as follows: 2 building fires, 2 car fires, 5 chimney fires, 1 dump fire, 1 telephone pole fire, 1 smoke investigation, 2 flooded furnace calls, 2 cover trucks and 2 false alarms. We also cleaned 22 chimneys.

Just a reminder that we clean chimneys, pump out wells and cellars at any time for townspeople at no charge. Please call 446-3350 or 446-2223.

The Marlwo Ambulance and Rescue Squad made 6 runs to Stoddard, 5 of which were emergencies. We would like to thank them for their quick responses in providing ambulance service to the people in Stoddard free of charge.

Henry Bingham, Donald Fleming, and Joseph Sarcione are now taking an Advanced First Aid course. After the first aid course is completed they will begin Emergency Medical Technician training and once completed will bring the number of EMT's in Stoddard to 6, who will be working with the Marlow Ambulance and Rescue Squad.

Another chicken barbecue was held this year and together with the Ladies Auxiliary we cleared $383.24.

The fire station is open every Sunday at 11:00 am for anyone to take a look at the station and the new truck.

Respectfully submitted,

Wallace R. Weaver, Chief
Wallace H. Weaver, Dep.
Joseph Sarcione, Capt.
Henry Bingham, Sec.

THE LADIES AUXILIARY

The Ladies Auxiliary wishes to whole heartedly thank all those who have contributed, time, money and items to our many projects this year.

These projects included the Annual Chicken Barbacue, food sale, Bean Supper and yard sale, which all proved successful due to the above mentioned people.

We sponsored a skating party in January for the town's people and had quite a good turn out. The ice was not very good, but all had a good time. Hot dogs and hot cocoa were donated by the Auxiliary.

Just a reminder that the Ladies Auxiliary has a small scholarship fund which is available to the town's students who need assistance in continuing their education.

Our goal for the new year will to be help the firemen put the finishing touches on the meeting room at the station.

Respectfully submitted,

Kathleen Fleming
Acting Secretary

RECYCLE REPORT

The idea of recycling is in the process of change. A few years ago people were being encouraged to separate their solid waste into various recyclable categories -- paper, cans, glass, compost -- so it could be reclaimed. This is still a good idea, but enterprising and inventive engineers are not waiting for it to take hold nation-wide.

Your committeewoman has continued to go to the meetings of the Area Solid Waste Study Committee in Keene, chaired by Al Merrifield. There is much of interest to be learned there, much of it of a technical nature I am not too competent to deal with, but at least I can report back, in a general way. Some promising ideas of previous years have developed, and others have fallen by the wayside.

The subtle, or not so subtle, change that has come over recycling is in the area of regarding and using solid waste as a fuel, rather than as a mix of recoverable resources to be separated and reclaimed separately. In July, 1975, the Study Committee received a presentation of the Palmer, Pa. system (as reported last year), which takes solid waste, separates out glass and metal for recycling, and shreds and compresses the combustible waste into fuel pellets which can be used in a mix with coal and other solid fuels by utility companies, etc.

In November, 1976, we heard a presentation on the controlled-air small incinerator specifically used to burn solid wastes to produce steam or hot water for immediate use, for heating, etc., or even to produce electricity. This is the same process as has kust appeared in the news wherin Robertson Paper Co. in Hinsdale wishes to buy one or more Consumat incinerator modules if they can get the contract from at least a couple large area towns for their solid waste (thereby saving on the high price of coal). Initially the towns would pay Robertson Paper to take their solid waste. But who knows, given the lessons emerging from the winter's energy crisis, the day might come when solid waste would be regarded as a saleable fuel commodity for the production of energy!

These small incinerator units have been found to fall well within air pollution limits, and to be much more economical both to build and to operate than the large, highly automated, mass production systems serving large cities. They begin with the premise that whereas it requires a larger amount of solid waste as fuel (both by weight and volume) to provide a given number of BTU's than gas, oil or coal; still, the waste is there and has to be dealth with anyway, and if the latent energy can be economically

extracted, two problems are solved at once -- solid waste disposal and evergy production. All other sources of energy presently in use except the sun come from finite resources that have to be mined, processed, and often transported halfway around the globe to where the energy is needed. Given all the problems associated with these finite resources, of which we learn more every day, the BTU's contained in solid waste are too valuable a resource to be buried in landfills.

Also, as one of the chief costs in dealing with solid waste and recycling is the cost of transportation, these small incinerators are factory produced in identical modules, which can be added to, or spaced around each central to a smaller area generating the waste to be used, and in conjunction with the buildings which are to use the heat produced, thus reducing distances of transport to a minimum.

The Study Committee has applied to Keene City Council for funds to send someone to study and compare one or more examples of these processes in action -- Palmer, PA, and Consumat.

The man from Consumat who spoke to us said quite frankly he did not believe recycling was the best use for waste paper, it has too many good BTU's for that. Better to recycle the bottles and cans, which do not add to the BTU's. However his process takes everything, and unlike Palmer, PA, does not separate out glass and metal, it all goes into the fire.

In the midst of all this, the Keene Jaycees have just set up a newspaper collection trailer at the Keene landfill, to which anyone is invited to bring newspapers for recycling. Farther along in the spring I expect to be conducting newspaper drives periodically in Stoddard to support it. However, as the newspaper is to be contributed to the Keene Jaycees, it did not, again, seem to warrant building our own paper shed, which would only double the handling necessary.

Meanwhile, I learn from Southwestern Regional Planning's newsletter, "Bearings" (a free publication I highly recommend to anyone interested) that a glass recycling business in North Oxford, Mass. (near Worcester) will collect within 200 miles. North Oxford is somewhat nearer than Dayville, Conn. Also, Reynolds Aluminum is collecting in New England, and perhaps they may get up into northern New England.

If anyone in Stoddard is interested in investigating any of these matters further, I would welcome their getting in touch with me, and perhaps more could be accomplished.

Jane Abert

THE STATE OF NEW HAMPSHIRE

STODDARD SCHOOL DISTRICT
SCHOOL WARRANT

To the Inhabitants of the School District of Stoddard qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said district on the tenth day of March 1977 at seven thirty o'clock in the evening to act upon the following subjects:

1. To choose by non-partisan ballot the following school district officials.
   A. Moderator for the ensuing year.
   B. Clerk for the ensuing year.
   C. Treasurer for the ensuing year.
   D. A member of the School Bord for the ensuing three years.
   E. Auditor for the ensuing year.

2. To determine and appoint the salaries of the School Board and fix the compensation for any other officers or agents of the district.

3. To hear the reports of agents, auditors, and committees or officers chosen and pass any vote relating thereto.

4. To choose agents and committees in relation to any subject embraced in this warrant.

5. To see if the school district will vote to establish a school lunch program as legislated under RSA 189: 11-2 and to raise and appropriate the sum of $3000.00 to defray the costs of implementing, equipping and operating the program for 1977-78.

6. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of statutory obligations of the district.

7. To see if the district will vote to raise and appropriate the sum of two hundred dollars ($200.00) as a contingency fund or to take any other action relative thereto.

8. To see if the district will vote to authorize the School Board to make application for, and to accept on behalf of the district any and all grants or other

funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire for the school year 1977-78.

9. To see if the district will vote to raise and appropriate the sum of five thousand dollars ($5000.00) to be added to the previously established Capital Reserve Fund for building purposes.

10. To transact any other business that may legally come before said meeting.

Given under our hands at said Stoddard this third day of February 1977.

6-30-76	Lucy Hill	June Milk Money	16.40
7-76	Town of Stoddard	Appropriation	1,300.00
		TOTAL RECEIPTS	$83,731.07

NURSE'S REPORT

The School Health Program for the year 1975-76 provided semi-annual assessment of each student's physical characteristics especially related to screening of heights, weights, vision and hearing. Any physical needs indicating further examination or treatment were referred to the parents.

Educational health information was presented during the academic year to establish a background in basic health concepts. Current concerns such as drugs - environment along with traditional topics as safety, nutrition, dental care, personal hygiene and disease were explored. The major purpose of these presentations is to develop atitudes and behaviors which will promote physical and mental health.

School personnel was screened for tuberculosis. This procedure is now recommended at intervals of every three years.

Respectfully submitted,

Gail Johnson, R. N.
School Nurse

SCHOOL LUNCH REPORT

State Law requires that all schools in the state provide a lunch program. Stoddard voters took issue with this requirement at the annual school meeting in March, and a committee was formed to negate the order.

Voters felt that such an order was totally impractical, expensive, and unnecessary, in as much as meals would have to be prepared in Keene and transported to Stoddard each day, and in as much as all students carry excellent lunches.

Parents of the students were polled by mail, asking if a lunch program were available, would their children participate, and if so, how often. The questionnaires were returned, in plain envelopes, to the teacher, who then turned them over to the committee. Not one parent indicated that they would participate, which meant that implementing the program would be an expensive exercise in futility.

The committee met with the school board and the superintendent, and they, in turn, contacted the State Board of Education with a request for a waiver. Such waiver was finally granted, to expire in September, 1977.

Meanwhile, a Food and Nutrition bill, co-sponsored by Senator Clesson Blaisdell and Rep. Daniel A. Eaton, will be introduced during the present term of legislature, giving the towns the option of serving hot lunches.

Members of the committee were Mary Lou Eaton, Chairman, Paulette Fowler, Kathy Fleming and Shirley Anderson.

SUPERINTENDENT'S REPORT

Although the national economy has been in constant flux with increasing prices and heavy unemployment, the public services have continued uninterrupted. The public schools reflect, to an extent, our economy with emphasis on tight budget control, stringent salary negotiations and keeping at a minimum educational program changes and capital expenditures for new equipment.

Our schools are operating very well with an excellent professional and para-professional staff, good instructional programs and objective evaluation of student progress. We again have an overall increase in enrollment with facilities severely strained in some instances.

As has been the case for years, legislation, court decisions and funding have created changes in educational operation. Title IX has at last guaranteed equal rights with equal opportunity for girls in school and women in teaching and administration including equality of pay. Court decisions have placed responsibility for special services for learning handicapped children upon the local school district with very limited availability of State funding to assist multiple handicapped cases. The question of Federal funding for Title programs and School Lunch programs persists year after year pending the whims of Congress. However, in spite of inconsistent funding, many extremely important changes have come about greatly benefiting our children by providing programs and assistance for special needs.

At the conclusion of this school year I will be terminating my duties and responsibilities as Superintendent of Supervisory Union #24. The five year tour has gone by rapidly and I look back with mixed emotions on these years. Many good changes have come about and so many things need to be done but I have had the good fortune to have dedicated school administrators and staff in the several schools working hard to improve instructional programs and educational opportunities. I thank you, the overall citizenry, for your interest, concern and willingness in funding and assisting educational improvement.

Respectfully submitted,

Neil E. Cross
Superintendent of Schools
